Challenges

QFace API

- simple properties
- complex properties
- lists
- models
- operations
- signals
- structs
- enums

QtRemoteObjects

- simple properties
- complex properties
- lists
- models
- operations
- signals
- structs
- enums

Challenges

QFace API

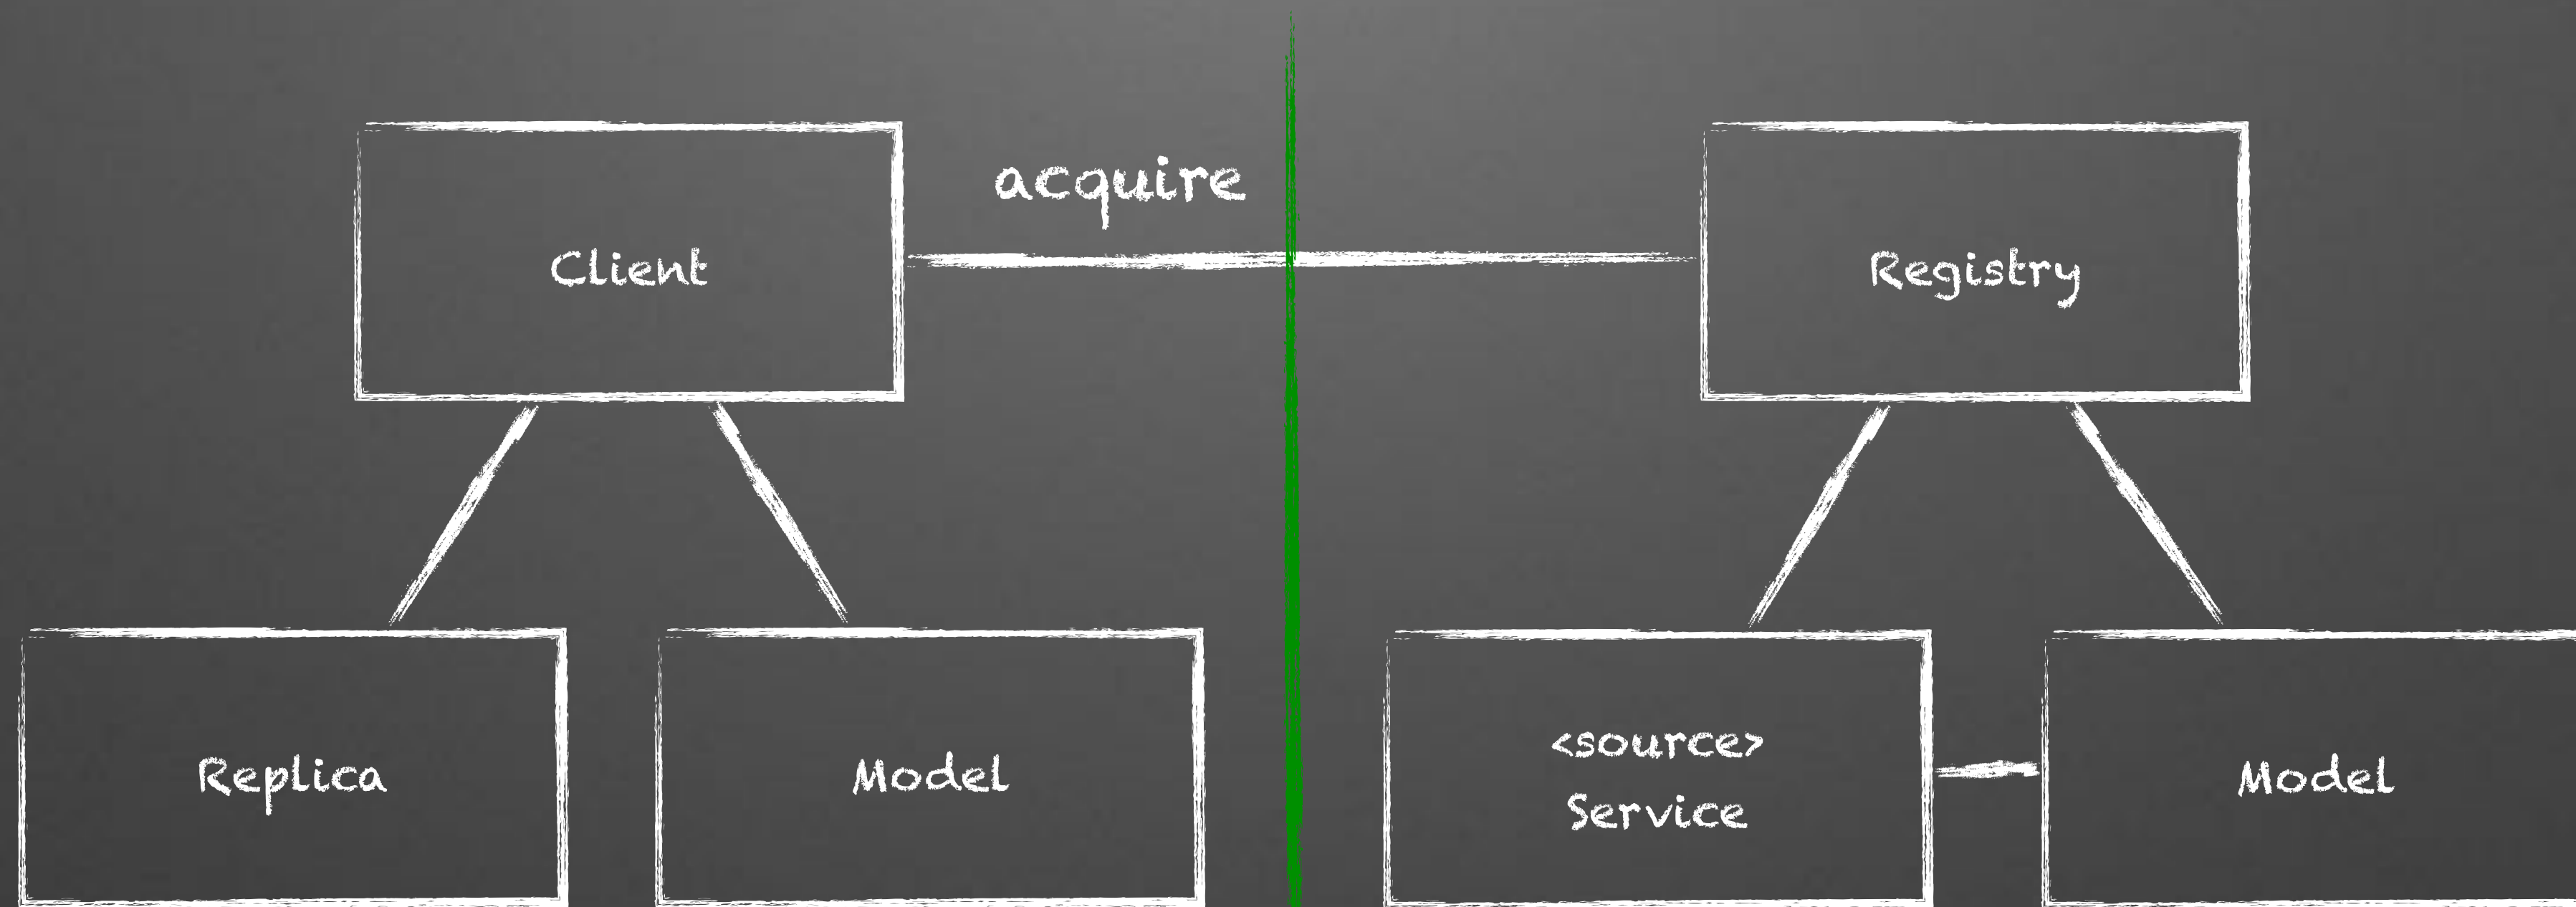

- simple properties
- complex properties
- lists
- models
- operations
- signals
- structs
- enums

QtRemoteObjects

- simple properties
- complex properties
- lists
- **models**
- operations
- signals
- structs
- enums

Models are objects by itself

Solution

DEMO
